PROFESSIONAL SUMMARY

Information Technology student skilled in Java, Spring Boot, React.js, and MySQL with hands-on experience in full-stack web development. Passionate about problem solving, scalable applications, and building user-friendly software through real-world projects and internships.

EDUCATION

Bachelor of Technology in Information Technology (Expected: July 2027)

Sri Krishna College of Technology |
Coimbatore | CGPA: 8.03

Higher Secondary Education(Completed: Apr 2023)

St.Michaels Girls Higher Secondary School |
Tenkasi | Percentage: 95.3%

SKILLS

- **Programming:** Java, Python, C++
- **Core CS:** Data Structures & Algorithms, Object-Oriented Programming, DBMS, Operating Systems, Computer Networks
- **Backend & Web:** Spring Boot, REST APIs, React.js, HTML, CSS, JavaScript
- **Databases:** MySQL, SQL
- **Tools & Platforms:** Git, GitHub, VS Code, Spring Tool Suite, Figma
- **Additional Skills:** Problem Solving, Full-Stack Development, UI Design

EXPERIENCES

Junior Web Developer Intern | NANLogical Company

- Worked on web development tasks using frontend and backend technologies.

- Gained practical experience in full-stack application development.
- Improved problem-solving and teamwork skills through project collaboration.

AJ&VG Media | May 2025

- Successfully completed an industrial project on Furniture Shop Management (ERP, CRM).
- Worked on developing and understanding ERP and CRM-based business workflows.
- Gained practical exposure to real-time project development and software solutions.

PROJECTS

Event Management System | Spring Boot, MySQL

- Built a system for attendee registration, ticket booking, and payment management.
- Integrated email notifications and modular backend structure.

AI Resume Analyzer | Python, Machine Learning

- Developed an ML-based application to analyze resumes against job descriptions.
- Applied preprocessing and feature extraction techniques for resume evaluation.

Log Analyzer System | Java, File Handling (Ongoing)

- Developing a system to analyze and monitor log files efficiently.
- Working on log filtering, error detection, and report generation features.

CERTIFICATIONS

- DSA in Java – NPTEL Elite Certification
- Java Foundation Certification – Infosys Springboard
- React Web Developer Certification
- Microsoft Excel
