## PROFESSIONAL SUMMARY

Information Technology undergraduate with hands-on full-stack development experience in Java, Spring Boot, React.js, and MySQL. Proven track record building and deploying REST API-driven web applications through internships and independent projects. Strong foundation in Data Structures and Algorithms with a passion for writing clean, scalable, and user-focused code.

## TECHNICAL SKILLS

**Programming Languages:** Java, JavaScript

**Web Development:** HTML, CSS, React.js, Spring Boot, REST APIs

**Databases:** MySQL

**Core Concepts:** Data Structures & Algorithms, Object-Oriented Programming

**Tools & Platforms:** Git, GitHub, VS Code, Spring Tool Suite

## PROFESSIONAL EXPERIENCE

**Full Stack Web Development Intern** — Mist Solutions May 2026

- Contributed to full-stack development of web application features across frontend and backend layers
- Collaborated with the development team to implement and test new functionality in a live project environment

**Junior Web Developer Intern** — NANLogical Consultancy Services Pvt. Ltd. Jul 2024 – Sep 2024

- Developed responsive, cross-browser web interfaces using React.js and JavaScript
- Designed and built REST API endpoints with Java and Spring Boot to support client-facing applications

## PROJECTS

**Employee Management System (Role-Based Access Control)** | Java, Spring Boot, Spring Security, JWT, React.js, MySQL

- Built a full-stack HR system with JWT authentication and three access levels (Admin, Manager, Employee), enforced via Spring Security
- Designed REST APIs for user CRUD and manager-employee hierarchy, and secured endpoints with BCrypt password hashing
- Developed a React.js frontend with protected routing and role-based dashboards, integrated with the backend via Axios

**Smart Expense Tracker** | React.js, Spring Boot, MySQL, REST APIs

- Built a full-stack expense management application enabling users to track income, expenses, and account balances
- Designed and implemented REST APIs with Spring Boot, integrated with a React.js frontend for a seamless user experience

## EDUCATION

**Bachelor of Technology in Information Technology** Expected: Jul 2027

Sri Krishna College of Technology, Coimbatore | CGPA: 8.12

**Higher Secondary Education (HSC)** Completed: Apr 2023

St. Michael Girls Higher Secondary School, Tenkasi | Percentage: 95.3%

## CERTIFICATIONS

- Data Structures & Algorithms using Java — NPTEL Elite Certification
- Java Foundation Certification — Infosys Springboard
